Whereas Tim McClary and Zach Pike are interested in purchasing three properties along Lincoln and Wilson Streets for the purpose of removing blight from two properties and to construct on a vacant piece of property, and where as the Planning Board found this change to be in the best interest of the applicants and the abutting property owners, the Planning Board made the following motion:

Motion to recommend to the City Council that the zoning district boundary line be moved to encompass the properties as described below and to be recommended to the City Council for adoption:

To relocate the zoning boundary line along a portion of Perkins Avenue, Lincoln Street and Wilson Street to encompass the properties at 151 Perkins, Tax Map 21, Lot 164, 24 Wilson Street, Tax Map 21, Lot 165 and a vacant lot on Lincoln Street, Tax Map 21, Lot 175-A.

See attachments A. & B.

Whereas the Planning Board recognized the economic and use benefit with the above described change to the “Official Zoning Map”, a motion was made and seconded for approval and recommendation to the Council, that the above described change be approved and as such be shown on the “Official Zoning Map”. This motion carried unanimously.

These changes to the “Official Zoning Map” of the City of Old Town were approved and are to be recommended to The Old Town City Council.
